The Story

Combining a timeless aesthetic with the finest quality and craftsmanship, LE PARMENTIER effortlessly reflects elegance. The influence of both Paris and Florence is an intrinsic element to their design process. The Parisian influence takes over the visual aspect of their gorgeously geometric and delicately accessorized pieces. Each piece conveys a tale of subtle luxury. Quality and craftsmanship is the Florentine element. Crafted with the world's finest leather in the most world's most renown factories in Florence, every bag is handled with extreme attention to guarantee a truly coveted one of a kind item.

A quintessential bag that will look amazing for any season. A brand gaining a fast and impressive following thanks to the fashion world's idealized stars.

Driven by a revolutionary approach, LE PARMENTIER lets its quality and reputation speak for itself.

The secret being whispered around the fashion world. Trends come and go but timeless is forever.
